DALLAS, Oct. 19, 2026 /PRNewswire/ -- More than 500 homeowners and nonprofit organizations across North America will have one less worry this winter after receiving new heating and cooling systems through Lennox Residential HVAC's Feel The Love program, sponsored by the LII Lennox Foundation. During Installation Week, held Oct. 3-11, Lennox donated the equipment, and participating Lennox dealers volunteered their time and expertise to install the systems at no cost. Together, the program helps make homes more comfortable for recipients facing financial hardship, illness, military service-related challenges and other difficult circumstances.

Sarah Martin, Executive Vice President and President of Lennox Home Comfort Solutions: "Year after year, our dealer partners generously volunteer their time and resources to support deserving homeowners and nonprofit organizations. We're proud to work alongside them to help bring dependable, worry-free heating and cooling to those who need it most."

Dean Burnside, General Manager, Burnside Air Conditioning, Heating & Plumbing: "Our team is proud to be part of Feel The Love because it gives us a chance to support people right here in our own community. If we can help bring them a little relief, one less thing to worry about this winter and a more comfortable home, that means a lot to us."

More than 3,600 systems have been installed from Feel The Love since it was first launched in 2009. The LII Lennox Foundation, established in 2023, sponsors Feel The Love and other charitable initiatives that support the communities where Lennox employees live and work.
