Smith was most recently CFO and chief administrative officer for Zonetradet.com, a leading provider of full-service asset management solutions. "We're pleased and excited to have Rick join our executive management team," said Bob Schjerven, Lennox chief executive officer. "His extensive financial management background with Arvin, a leading manufacturing company, makes him an excellent fit for Lennox. He has also worked closely with corporate business unit leaders for much of his career and has an in-depth knowledge of the financial aspects of manufacturing operations."

Smith began his career with Ralston Purina, where he was promoted to assistant treasurer and later became assistant to the chief financial officer. He joined May Department Stores, serving first as vice president and treasurer and later as vice president and controller of the company's Payless Shoe Source division, before joining Arvin in 1990. Smith earned a B.S. in Finance from the University of Illinois, a M.B.A. from Northwestern University, and a J.D. from St. Louis University.
