A director of LII since 1993, Mr. Thompson was group president for Caterpillar Inc., a manufacturer of construction and mining equipment, from 1995 until his retirement in 2004. Mr. Thompson joined Caterpillar in 1983 and held several leadership positions prior to his appointment to group president in 1995. Prior to his career at Caterpillar, he held the positions of vice president of marketing and vice president and general manager of components operations with RTE Corporation, a manufacturer of electrical distribution products. "Rich's experience in manufacturing and his leadership on the LII board, including serving on and chairing many important committees, has been an invaluable asset. This appointment as vice chairman acknowledges that leadership," said John Norris, LII board chairman.

Mr. Thompson also serves as a director for Gardner Denver, Inc., a manufacturer of air compressors, blowers, and petroleum pumps; and for NiSource Inc., a natural gas and electric utility. He is also a former director of the National Association of Manufacturers, the nation's largest industrial trade association, and Proctor Community Hospital in Peoria, Illinois.

Operating in over 100 countries, Lennox International Inc. is a global leader in the heating, ventilation, air conditioning, and refrigeration markets. Lennox International stock is traded on the New York Stock Exchange under the symbol "LII".
