"We have a solid and dedicated work force, with the potential to develop individual knowledge and skills to make LII stronger and more competitive," said Todd Bluedorn, LII chief executive officer. "As our chief human resources officer, Dan will work closely with me and the entire organization to drive a renewed focus on recruitment, performance management, and training & development initiatives, helping us to further enhance the flexibility, responsiveness, and competitiveness of our workforce around the world."

Prior to serving as vice president, human resources for Otis, Sessa served as director, employee benefits and human resources systems for United Technologies Corporation. He also previously served as director, human resources for Pratt & Whitney. Sessa earned a J.D. from the Hofstra University School of Law, where he was managing editor of the Hofstra Law Review, and also earned a B.A. in Law & Society from the State University of New York at Binghamton.

Operating in over 100 countries, Lennox International Inc. is a global leader in the heating, air conditioning, and refrigeration markets.
