"I'd like to thank Scott for his many outstanding contributions to LII over the last 12 years, including his leadership of Service Experts since 2003, and wish him a healthy and happy retirement," said Todd Bluedorn, LII chief executive officer. "Michael's strong operational focus will help us build upon our solid foundation for growth in Service Experts."

Blatz most recently served as executive vice president, operations, successfully driving LII's material savings, factory productivity and operations excellence initiatives, while also dramatically improving safety performance. Prior to joining LII in 2007, Blatz was vice president and general manager for Tyler Refrigeration, a division of Carrier Corporation. Before joining Carrier Corporation, Blatz served as director of operations and director of worldwide procurement at Dell Computer Corporation and held engineering and product development roles at Case Corporation. Blatz graduated with distinction from the United States Military Academy at West Point with a BS in mechanical engineering, and later earned an MBA and an MS in mechanical engineering, both from the Massachusetts Institute of Technology.

Through its subsidiaries, Lennox International Inc. is a global leader in the heating, air conditioning, and refrigeration markets. Lennox International stock is traded on the New York Stock Exchange under the symbol "LII."
